Adults: Doc Vick, Ken Green, Anthony Kenney, Bob Hillwig, Marlene Gonzalez, Larry Lowe, Sebastian Torres

Start 9:35

Nathan opens. Outlines discussion for first event. What can do better, etc. Start/stop/continue, chapter reports around group. Then starts with business items.

Good: Tomahawk Throw; sessions; Drum Team-exciting prospects; registration; classes/free time balance;

Indian Winter Evaluation:

Start: Better communication between officers, advisers; Start planning week earlier, group meeting pre-event for brainstorm; better communication; Better timing of schedule, follow;

Stop: Oak tomahawk targets (too difficult to stick tomahawks in); degrading comments, even in fun; stop keeping schedule until events (release earlier)

Continue: Capture the Flag (other group activity); free time; Mass texting for planning events; Brotherhood conversion at every event; group activity; Ceremonies; No last-minute equipment requests; competitions

Nathan: Flaps (spring fellowship, conclave, service) Talk about design.

Nolan: on Elangomat flaps. Idea- give to elangomats for free, \$20 for anyone else. [discussion]

Motion to approve concept for elangomat flap by Nolan, second by Deven. [discussion/ clarification]

Motion/second rescinded after due consideration.

Motion to continue working toward recognition program for Elangomats by Sebastian, second by Jacob

Nathan: Conclave (hype). Change April 5 workday to ordeal for Conclave, then push Conclave? Start building enthusiasm now, have people ready and prepared, lots of manpower required. [general agreement/extended discussion].

Motion to approve conclave ordeal by Deven, second by Nolan. Pending approval by Supreme Chief.

Larry: Don't wait to get involved in Conclave until right before it happens!
