

KAWIDA LODGE 480

ORDER OF THE ARROW

Fellowship Packing List:

All the things you will need from Friday evening to Sunday morning for your Fellowship Experience

Kawida Lodge annually hosts a Spring and a Fall fellowship event. As with Service Days, what you may want to bring is subject to change dependent on activities planned, the weather, and other factors. Generally the following list will stay consistent. Remember: A scout is prepared, so check the weather before you come, so you aren't stuck in a swimsuit with snow on the ground.

Required Items:

- BSA Medical Forms Parts A & B (If you do not already have these on file with the lodge for the calendar year)
- Any other necessary documents specified on an event-by-event basis.
- Class A Uniform and OA Sash
